

# NOUVEAUX™

## Engineered Vinyl Plank EVP

Nouveaux™ Engineered Vinyl Plank represents the next generation of Luxury Vinyl Tile. Featuring a rigid wood and plastic composite (WPC) base, Nouveaux™ EVP exceeds the performance of standard LVT flooring. Choose from exciting "Premium" and "Select" collections.

- Exceptional detail and style, innovative core technology, outstanding performance
- Stylish wood designs featured in extra wide and extra long planks for added visual impact (Premium)
- Classic hardwood designs in standard 48" lengths (Select)
- High density WPC construction hides sub-floor imperfections
- Vinyl backing adds slip resistance and reduces sound transmission. Uniclic system "floats" over existing floors
- Scratch resistant and waterproof performance
